Measham Youth Club Newsletter

As we are getting closer to the summer and the weather starts to get warmer, we are hoping to go to the park more frequently during this programme and the next. In previous years, we have found that some members were turning up to planned park nights and not signing in or paying and saying they were not at the club, but they were at the park. However, some parents were under the impression that their child had signed in and under our care, but this was not the case. To avoid this, we are planning to choose to go the park on random nights where we think its too nice to stay inside. We will make sure we have the appropriate number of adults and equipment as we always do. Members will still meet and sign in and pay at the club and then we will all walk down to the park together. Pick up will also be from the club as normal. We think this is the best solution to stop members not signing in just because we are at the park, we would not want any accidents to happen to members that haven’t signed in and their parents/guardians think that they have.

PLEASE LET US KNOW IF YOU DO NOT WANT YOUR CHILD GOING TO THE PARK AND WE WILL INFORM YOU PRIVATELY BEFORE CLUB IF WE ARE PLANNING TO GO TO THE PARK.

We would also like to remind our members that once they sign in to the club, they are not permitted to leave until the club has finished unless we have been told otherwise by parents/guardians at home. If there was an emergency, we would not know the correct amount of people in the building, if members are choosing to come and go as they please. We have also had parents under the impression that their child is at the youth club when in fact the child is roaming around the village and waiting outside club when its time to be picked up. We have and always would inform parents when we have been aware of this; however, we want to make parents aware that this is happening so all of our members are safe and where they should be.

21/06 – Chill Evening  28/06 – BBQ Evening

Hi my name is Sue Matkin and as a volunteer run Measham youth club tuck shop, The youth club has grown in numbers so much that we do two groups (6.30pm to 8pm for the older ones and 5pm to 6.30pm for the younger ones) In March we celebrated 3 years of being a Youth Group, meeting on Friday evenings.

On our programme the members have participated in lots of activities i.e. Bird boxes, Pizzas, First Aid & defib training, planters around the building, we also do bouncy castle with a karaoke, bingo & chips, onesie pyjama nights.

We have discussed mental health, internet safety and healthy eating, our members also enjoy meeting with their friends, which we encourage the members to interact with others we call this our chill evening and they enjoy all meeting up and taking selfies.

We have a wonderful group of leaders and people who give up their time to help, any time you wish to call and visit us you will be made welcome, plus if you have any ideas you are interested in sharing please pop and see us.
