

Apply
NOW!

You could be eligible for **fully-funded** home energy efficiency improvements

How can I make my home more energy efficient and lower my heating bills?

Working with Yes Energy Solutions, we can support you with the following **FREE** measures for your home:

External wall insulation

Air source heat pumps

Solar panels

Energy efficient doors or windows

Smart heating controls

Loft and cavity wall insulation

Am I eligible for support?

Homeowners can apply now if:

- Your household income is under £30,000 gross
- You're in receipt of benefits (full list available at www.leicestershire.gov.uk/green-living)
- Your home has an Energy Performance Certificate (EPC) rating of D, E, F, or G

How does it work?

Apply now

Call our partner
YES Energy Solutions on 03309 126 199 (Monday to Friday, 9:00am – 5:00pm)
– YES Energy Solutions will handle all enquiries from Leicestershire residents.

Home survey

A Yes Energy Solutions contractor will visit you to determine what improvements are suitable for your home.

Or email **projects@yesenergysolutions.co.uk** with your contact number and a member of the team will be in touch.

Installation

Your home will receive the required works from a Trustmark registered contractor to improve its energy efficiency rating.

Or visit **www.leicestershire.gov.uk/green-living** to complete the application form.

Aftercare

You will continue to receive ongoing support. The scheme also includes warranties and guarantees with applicable terms and conditions in accordance with the measures installed per job.

Application review

You will receive a call to check that you qualify before scheduling a home survey.

Where can I find more information?

Our Warm Homes service has advice pages on a number of schemes supporting energy efficiency, including grants for first time gas central heating and gas connections.
