## #WeDid - What we are doing

In line with our beat priorities speeding operations took place on Measham Road, Moira and Chapel Street, Oakthorpe.

As per our beat priority regarding theft of and from vehicles in the Measham area, the beat team and response colleagues have been working hard by conducting targeted patrols in the villages. These patrols are driven by intelligence based on the reports received to us. A Waymarker map has been created which will assist officers to conduct specific patrols, this is monitored and shows that officers are regularly patrolling the villages. We have also been linking in with neighbouring police services sharing information about the vehicle crime trend that we have been seeing. Some of the investigations are ongoing and progressing. An additional beat surgery was held in Measham to reassure and update residents on the progress made.

We have visited Oakthorpe Primary and Measham C of E School with more visits planned for other local schools.

We have responded as and when we receive complaints regarding parking and speeding, dealing with as appropriate.
